L. S. G. BRANCH.

From A. V. Ramanathan Esquire, B.A.,

President, Sanitary Board, Kolar Gold Field,

CHAMPION REEFS.

To

B.Narayanaswami Iyengar Esquire, B.A., B.L.,

General Secretary to the Government of His Highness

the Maharaja of Mysore, Bangalore.

SIR,

I have the honour to state that the 3rd class Travellers Bungalow located at the Champion Reef, K.G.F was transferred to the K.G.F Sanitary Board from the District Board Kolar, as per Government Order No.L88436-8 L B 90-24-13 dated 12th June 1925, and the charge of the same was taken over by the Board on 16.5.1925.

The Board have been maintaining the said Bungalow at a cost of Rs 11 per month or Rs 132 per year being the pay of a care taker. The realizations from fees from May 1925 to end of February 1929 amounted to Rs47.8.0. as detailed below. The expenditure incurred for the up-keep of the Bungalow, including the cost of annual repairs amounted to Rs 602-2-8 during the same period.

It is seen from the above that the realizations are negligible and the number of travellers resorting the Bungalow is very few, as they find more convenience in Robertsonpet where there is a 3rd class T.B. maintained by the Board as also a 1st class Government travellers Bungalow. Even the realizations noted above are from Government officers, mostly ie Local Fund auditors who come and stay at Champion Reff, to audit the Sanitary Board accounts.

Considering all these circumstances and the existing financial condition of the Board, the Sanitary Board at their meeting held on 22nd March 1929, have resolved to abolish the 3rd class Travellers Bungalow at

at Champion Reef ant retrench the post of the care taker on Rs11/-per month as the Bungalow is not serving any useful purpose.

I request you, therefore, to kindly obtain the sanction of Government to abolish this Travellers Bungalow and to retrench the post of the care-taker carrying a pay of Rs 11/- per month from 1-7-1929.

A copy of the Board's resolution in the matter is submitted herewith.

To

Offg. General Secretary to the Government
of His Highness the Maharaja of Mysore,

BANGALORE.

SIR,

24.

Adverting to your letter No.L.7355 L.B.150-28-2 dated 8th May 1929, enquiring how the building and the furniture of the third class Traveller's Bungalow at Champion Reefs will be utilised and whether the District Board is agreeable to the proposed abolition of the said Bungalow, I have the honor to state as follows:-

The District Board, Kolar, are of opinion that the Traveller's Bungalow may be abolished as proposed and the building utilised for the elementary school which is now held in a rented building (Vide copy of the resolution submitted herewith).

As a matter of fact, the school is located in Sir Hajee Ismail Sait Chattram building which has been given as a gift by the said donor. This building has been since repaired at a cost of Rs.680/- and is in the possession of Government.

I inspected the Traveller's Bungalow and its surroundings on the 16th of July 1929 and the Traveller's Bungalow is comprised of the following structures:-

(i) Portion of main building containing 2 big rooms. (The other portion is District Superintendent of Police's office.
(ii) The Stables. (Part of the building is police stores).
(iii) The kitchen.
(iv) Caretakers residence near the railway line.

The whole of the main building may be given for the Office of the District Superintendent of Police, K.G.F., which at present

greatly congested. This will also have the advantage of the office being in a compact block. At present, the stores of the police department are kept in a portion of the stables building and this has to be transferred to the main building.

(ii) The stables and rooms attached may be converted as quarters for the senior clerk of the Commissioner of Workmen's Compensation as living quarters.

(iii) Similarly, the kitchen block may be given as living quarters for the 2nd clerk of the Workmen's Compensation Court.

(iv) The care-takers quarters may be given for the process server of the Income Tax Department.

The necessary alterations to these blocks to make them fit as living quarters have to be carried out by the Public Works Department to whom the entire block of buildings may be handed over.

The furniture and the vessels which are the property of the Sanitary Board will be taken back by the Board and will be utilised for the musafirkhana at Robertsonpet.

I have the honor to be,

S i r,

Your most obedient Servant,

Widyanathan's
